

Linguistics and TESOL

語言學與英語教學

Summer 2008

Lai, Huei-ling & Yin, Yuen-mei.

賴惠玲老師 & 殷允美老師

Course Description

In this course, phonetics/phonology and semantics/pragmatics that are relevant to language teaching will be covered. For each area, students will be exposed to basic concepts and learn to analyze linguistic data. Students are required to write one reading report or take exams for each area. (Consult your instructor for detail requirements.) Some time slots are reserved for lectures from TSIL 2008. (See TSIL 2008 program: <http://linguist.tw/>.) Details will be introduced in the first class.
