

Thesis Writing

論文指導

Summer 2014

Prof. Leah C.Y.Yeh

葉潔宇 副教授

Course description

This course is designed to familiarize students with the process involved in writing a thesis proposal which will lead to the successful writing of the thesis at the completion of this master's program.

Requirements

1. Attend the beginning and final sections given by the instructor.
2. Consult with individual advisor regularly.
3. Give a 20- minute presentation on the proposal.
4. Submit a written thesis proposal one week after the presentation.

Grading

1. 80% of the score will come from the results of the proposal review. (40 % each by the individual thesis advisor and the other reviewer)
2. 20% of the score will be given by the two reviewers (i.e., the instructor and another faculty member) on the performance of the presentation.
